Seeking Servants

The Rock has been back to serving our famous pancake breakfasts for over a month now, and we have seen a dramatic increase in the number of clients we are able to serve each week. It is exciting knowing that our impact is growing, and our numbers are getting close to what we saw pre-pandemic. Each morning we serve between 150 and 300 guests pancakes, oatmeal, toast, and beverages. We feel so privileged to be seen as the best breakfast in town by some of our clients.

While we are thrilled to see things returning to 'normal', we find that we are in need of more volunteers to keep our breakfasts running smoothly. Some of our past volunteers have been unable to return due to continuing concerns about the Pandemic, or personal reasons, and other volunteers are working multiple days each week to ensure we have the support we need.

Breakfast preparation begins at around 5:45, and breakfast is served from 7-9:00. Volunteer shifts are flexible; some start at 5:30 while others arrive closer to 6:30. Some leave at 8:00 to go to work, and others stay until 10:00 to finish cleaning up after the guests leave. Volunteer duties include food preparation, serving, busing tables, washing dishes, and other duties as needed. Our teams are friendly and include people from all walks of life and we have a place for you too!

Please prayerfully consider giving some of your time to support 'the least of these' in our city. For more information, or to get involved please contact info@therockedm.ca.
